MEMORANDUM FOR: Deputy Director for Administration  
FROM: Bruce T. Johnson  
Director of Data Processing  
SUBJECT: IBM Training for D/NFAC

Ken Williams of IBM has informed me that the fall dates for the IBM course which you and Frank Carlucci have taken are:

8 September thru 11 September  
29 September thru 2 October  
27 October thru 30 October:

You will recall that Frank was anxious to have Bruce Clarke have an opportunity to attend this same course. If one of these sessions would be a convenient time for Bruce's attendance, we should let IBM know as soon as possible. As you know, the courses are quite popular and usually fully subscribed.
